

## "BLOODLUST" COVER HISTORY

By Deborah O'Toole writing as Deidre Dalton

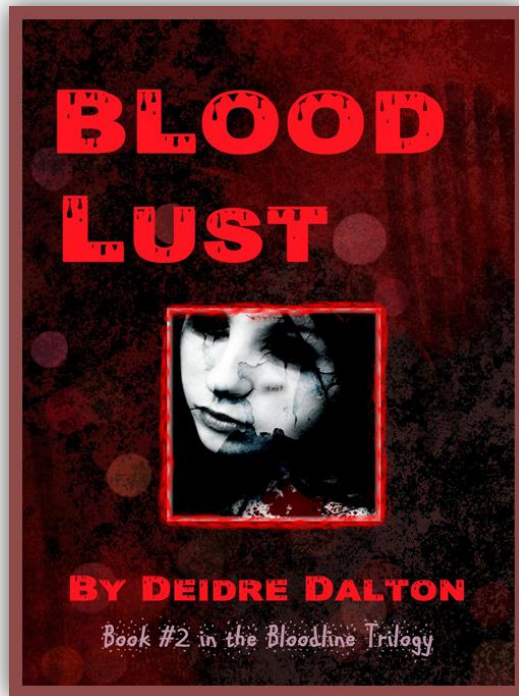

*Bloodlust* was released in 2021, the second book in Bloodline Trilogy by yours truly writing as Deidre Dalton. The three novels follow the uniquely magical yet ominous journey of three women through time.

The book cover history has been varied, much like my other books. I like to have something visual as I'm writing the story, so I came up with this for *Bloodlust* on the first go-round:

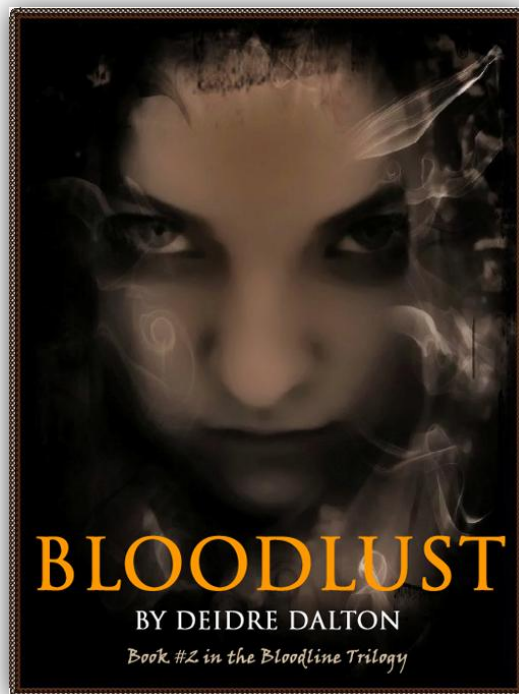

While rather innocuous considering the storyline, the first cover served its purpose for a time.

And this was the second:

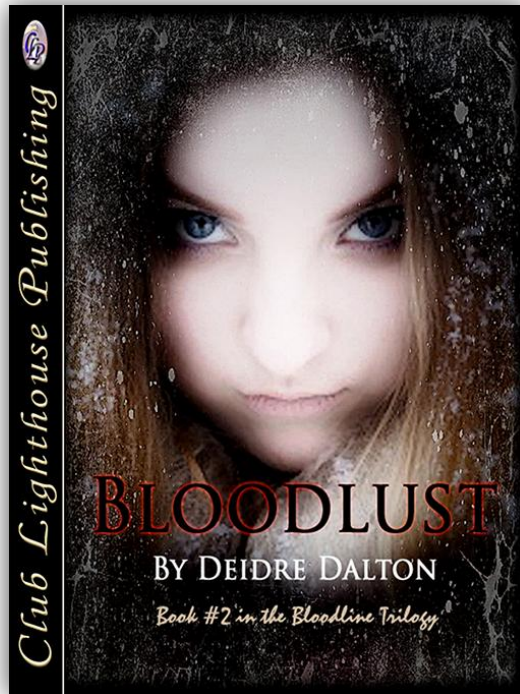

And the third, which came close to the final:

The third cover was built around a model photograph taken by Anton Belovodchenko, a contributing member to Stock Xchng (of which I'm also a member).

The final cover for *Bloodlust* was improved upon by my publisher.
