BLOODFROST

BOOK #1 IN THE BLOODLINE TRILOGY BY DEIDRE DALTON

Noel Gatsby's dreams take her away from the misery of her pain-wracked, disease-riddled body. The dreams become real when she awakens one morning to find herself completely cured. However, she soon learns her miraculous recovery comes at a price.

Old before her time and afflicted with a myriad of medical problems, Noel Gatsby retreats into her "wishful-thinking" dreams every night. Desperate to escape the circumstances of her life, she imagines a world where all of her pain and suffering stops, to be replaced by the vigorous health of her youth. Yet each morning she awakens to the misery of her real existence, consumed by pain and depression.

Then one night her dreams come true.

Noel is transported to another world, where healing hands work their magic on her tired body. She awakens without pain, filled with an exuberance and joy she never thought to experience again.

Her unique affinity with the handsome Pim Grady gives her hope for the future, although their blossoming love is tempered by knowledge of their shared and secretive dreams.

Noel soon learns her miraculous recovery comes at a price.

Bloodfrost is the first book in the **Bloodline Trilogy**. The novel was released by Club Lighthouse Publishing in December 2019.

BLOOD & SOUL

BOOK #3 IN THE BLOODLINE TRILOGY BY DEIDRE DALTON

Emma Beckett is adopted into a loving home as an infant, never knowing the true circumstances of her birth. As a child, she discovers she has unique powers of healing. She eventually realizes her abilities could be an instrument of evil, begotten by a bloodthirsty monster...

Emma Beckett has an idyllic childhood in the small Northern California town of Mendocino, only child of Cabral and Darcy Beckett. Tall and palely blonde, unlike her small, dark-haired parents, Emma occasionally wonders if she was adopted. However, the unconditional love of her parents was the one aspect of her upbringing she never lost faith in, not even when the darkness of her true past threatened to overtake her.

As a child, she discovers she has the power to heal by touch. At first, her skills are limited to healing animals, but when she cures her cancer-stricken mother she realizes her unique talent could be used to help others. The realization also leads Emma on a journey to unearth her heritage. No matter how painful it becomes, she is determined to learn the truth about her bloodline.

The quest may finally give her the answers she seeks, although horrific revelations about the past make her fearful of her own destiny.

Blood & Soul is the third and final book in the **Bloodline Trilogy**. The novel was released by Club Lighthouse Publishing in June 2022.

Bloodfrost Q&A:

In *Bloodfrost*, Noel questions the existence of God prior to her healing, and then afterward wonders if it is God or the Devil responsible for her miracle cure. Did you ever wonder about the same issues, or is the speculation purely fictional?

Noel Gatsby scoffs at the notion that "God only gives you as much as you can handle." In her mind she's endured more than her fair share of pain and suffering, so her belief in God is shaky at best...
