SPOILER ALERT: The cover image of *Megan's Legacy* is meant to depict Megan Larkin holding the reliquary heart locket Luke Castaneda gave her after their wedding. The inscription read: "*Where I am always thou art, Thy image lives within my heart.*" She tossed the locket into the ocean when Luke plunged to his death from the lighthouse to the rocky shore at Banshee Point, shortly after confessing to her that he was the serial killer who had been stalking Larkin City.
